

To all at Prospect Contractors

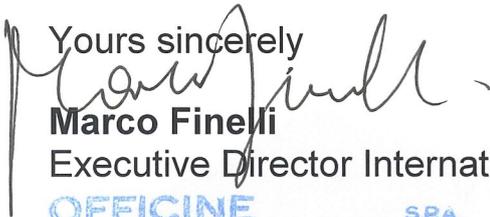

The Officine Maccaferri Group is delighted to recognise Prospect Contractors for their ongoing pursuit of excellence in the construction of retaining walls and erosion protection solutions for the Australian construction industry.

Your professionalism, attention to detail and quality of installation are true advertisements for gabion and Reno mattress works.

Rarely do we encounter the level of commitment shown by Prospect Contractors to Maccaferri solutions.

Maccaferri are proud to be associated with Prospect Contractors and wish you continued success.

Yours sincerely

Marco Finelli

Executive Director International Companies
